

PB&J FACTORY

(Corporate Team Building Event)

Foster strong church and workplace relationships with a community service project that supports the outreach of the Open Door Mission.

- (1.) Form a team of 8-10 fellow church members or company employees.
- (2.) Take up a collection to purchase enough items to make (50-100) brown-bag lunches.
- (3.) Prepare them as a team in an assembly line fashion.
- (4.) Lunches will be distributed by Mission staff to those seeking a meal and shelter at the Samaritan House Crisis Housing Center.
- (5.) The project includes a tour, an orientation, and time for Q&A with a Mission representative.
